

Yadao Packaging

Yadao Packaging was established in 2003, specializing in the design and production of various types of packaging boxes, including gift boxes, product boxes, and shipping boxes. We have a rich experience in the packaging industry and a strong technical team.

Our products are widely used in the fields of electronics, cosmetics, fashion, and food. We can provide customized packaging solutions for various products. Our lead time is generally 30 days, and we can provide fast delivery services.

We are committed to providing high-quality packaging products and services. We have a strict quality control system and can provide OEM/ODM services. Our minimum order quantity is 10,000 pieces.

We are looking for long-term partners and welcome inquiries from all over the world. Please contact us for more information.
